## To Our Guests:

When our father, Vito, started this business 40 years ago, he did so with a few scraps of savings and a love for cooking and hospitality he held deeply in his heart. Now, after 8 US Presidents, 9 Vice Presidents, endless cousins, babies and even a few surprises, we're a little bit bigger, a little bit more sophisticated and a little bit (okay, a lot) older.

Much has changed, but two things remain the same: our commitment to the community; and our love of food, fun and welcoming you, our guest, into the *famiglia* every time you come into a Candela.
