

COVER LETTER

Out to make the world a more beautiful place, one small room at a time.

The [Itsy Bitsy Ritzy Shop](#) is an online store of furniture designed for small spaces.

You've seen the trends. People are living in smaller houses, apartments and condos. Unfortunately, furniture makers have not gotten the memo and continue to make oversized stuff that just doesn't fit a contemporary lifestyle.

The Itsy Bitsy Ritzy Shop thinks small. All of our furniture has a more modest footprint plus it multi-tasks like you do.

Along with adding panache and utility to small space living, The Itsy Bitsy Ritzy Shop offers a unique way to buy turn-key design. Our Co-Founder Marcia Harris, an interior designer, has meticulously [assembled four Collections: Manhattan, Nantucket, Aspen and Bel Air](#). She has coordinated all of the furniture, fabrics, accessories and paint by Collection to evoke different moods. This makes it easier to purchase individual pieces or a turn-key room and know that everything has been professionally designed for you.

We're proud that Itsy Bitsy Ritzy Shop hardwood and upholstered furniture is hand made in America. We use the [best materials and the finest craftsmanship](#). You get made-to-order quality without having to pay exorbitant made-to-order prices.

The Itsy Bitsy Ritzy Shop.
We're delivering big ideas for small spaces.
