**Cannon PC Announces Partner and Affiliate Programs - Discount Pricing to Home Automation, Home Theater Stores.**

*Texas based Media Center PC company, Cannon PC, recently announced its Partner and Affiliate programs for home theater and home automation stores and installers; providing multiple incentives for reselling and installing Cannon PC Media Centers.*

**/24-7PressRelease/** - SPRING, TX, August 13, 2005 -- Cannon PC, LP announced that it is offering qualified partners discounted pricing all its media centers through its new Partner Program and commission sales through their Affiliate Program.

As part of a national sales promotion to bring the digital experience to more customers, Cannon PC has implemented Partner and Affiliate programs for qualified home theater and home automation companies. Qualified participants in the Partner Program will receive discounted pricing on all Media Centers System that they resell to customers.

"This gives a potential customer the ability to "test drive" a media center at one of their local home theater stores" said Gregg Cannon of Cannon PC, LP. "This way they can see for themselves the stylish design, power and ease of the Cannon PC Media Center and how it can enhance their digital experience in the home. It also enables our partner to offer additional solutions, products and services to their customers."

"We understand that many people already have some form of home theater or possibly a home automation system installed in their home. To assist customers with integrating their new Cannon PC Media Center we are partnering with installers that have the expertise to incorporate the Media Center into a customer's existing systems. We feel that it is important to our customers that they have the local expertise available that is willing and able to assist them. With partners in the local market place, we can provide the level of service our customers need. This allows installers to provide a complete solution of home theater, home automation and digital media through the Cannon PC Media Center for their customers."

Partners can also participate in the Affiliate Program which allows them to earn commissions on internet sales originating from the partners web site. Partners place a specialized link on their web site that links back to the Cannon PC's store ([www.cannonpc.com](http://www.cannonpc.com)). Any purchases that customers make at Cannon PC, the Affiliate partner earns commissions on.
