Bring Back Old Memories and Create Some New Ones in Vintage Automobiles

/24-7PressRelease/ - DALLAS, TX, April 05, 2007 - If your idea of the perfect weekend is to spend a day cruising in a bright red [1965 Corvette Convertible](#) - with the top down, of course - then [DFW Elite Car Club.com](#) has exactly what you need. With nearly [20 classic cars](#) to choose from, this unique automotive club combines your favorite cars from the past with thoroughly modern service.

"Nothing beats a classic," says [Ron Sturgeon](#), a car collector who launched [DFW Elite Car Club.com](#) to serve fellow automotive enthusiasts. "As much as I love the new cars, there's just something about those older cars. A lot of people feel that same way, but they might not want to spend the kind of time and money that comes with the ownership of a classic."

[DFW Elite Car Club.com](#) handles the details like refueling, maintenance and, of course, keeping it sparkling clean. Club members take on the challenge of keeping the cars driven - a challenge that can be harder than it sounds, given the array of cars they have to choose from.

"We've got some great cars that really seem to bring back a lot of fond memories for people," [Sturgeon](#) says. "There's a lot of sentiment attached to memories of cars, and the cars we have are truly special."

Classics include a 1978 [Porsche 930 Turbo](#), a [1959 Mercedes 190SL](#) convertible, a [1959 Alfa Romeo Spider convertible](#) and even a [1959 VW Bus-Fire Truck](#). There are elegant cars, such as the [1955 Mercedes 300SC Cabriolet](#) and the [1939 BMW 327 Cabriolet](#), and unusual, whimsical cars, like the pair of unique [1959 BMW Isettas](#). There's even a [VW Beetle!](#)

The classics join a collection of exotic, sport and luxury cars to comprise the largest stable of vehicles at the disposal of members of a [car club](#). With nearly 60 cars in all, drivers face a difficult decision in choosing which one to drive first. For a monthly fee, members have access to a distinctive roster of elite autos that includes [Hummers](#), [Land Rovers](#), [Porsches](#), [Ferraris](#), [Bentleys](#) and even the new [Rolls-Royce Phantom](#).

Five different "[tiers](#)" allow club members to select their level of financial participation and to choose the amount of car usage that best suits their lifestyle. And, unlike many other car clubs in the nation that charge a sizeable up-front fee, [DFW Elite Car Club.com](#) charges a nominal initiation fee followed by monthly payments.

In addition to access to the fleet of classic and luxury cars, membership in [DFW Elite Car Club.com](#) includes special invitations to exclusive, [members-only events](#); a [points system](#) that rewards members for referrals; and points that carry over from month to month; an affiliate agreement that provides discounts with other car clubs; and discounts on innovative [Drive Your Dream](#) exotic auto tours.

[DFW Elite Car Club.com](#) is headquartered at 5940 Eden in [Fort Worth](#), and serves [Houston](#), [San Antonio](#), and [Austin](#), as well as the DFW Metroplex.
