Vette Roadster Joins DFW Elite Car Club.com Collection

Rally Red '65 Convertible Sure to Bring Springtime Driving Pleasure

/24-7PressRelease/ - DALLAS, TX, April 24, 2007 - It's love at first ride when you settle into the black leather seat behind the wheel of our gorgeous bright red [1965 Corvette Convertible Roadster](#), newest addition to the [DFW Elite Car Club.com](#) collection. This car is undeniably sexy, so go ahead, drop the top and let your imagination go.

Put some pedal to the metal, feel the wind in your hair, and pretend not to notice all of those looks you are getting. Imagine the fun this Vette would add to the perfect wedding, special anniversary, or magical birthday. In fact, who needs an occasion - why not take it just because. This car was made for having a good time, so what are you waiting for?

Back in 1965, [Chevrolet](#) advertised the [Corvette](#) as "America's One True Sports Car!" Red, white and blue words that have been gospel truth for legions of [Vette](#) lovers ever since. In fact, many Corvette fans think the 1960s era C2s are the most stylish and beautiful of all [Corvettes](#).

No doubt, classic style lines make this '65 desirable, but so too do the responsive handling and unique feel. Under the hood lives a powerful fuel-injected 327 cubic inch V8 engine, turning 350 hp into a top speed of 140 mph. Then there's acceleration; try 0-60 in 6.3 seconds. Yeah, baby! Throw in a four speed [Muncie manual transmission](#), a deep growl coming out of the dual exhaust, a few Gs when you open it up, and well, does cruising get any better than this? We don't think so either.

"The ['65 Vette Convertible](#) is absolutely an American classic, and I've wanted to add one to our fleet for quite some time," says [Ron Sturgeon](#), founder and owner of [DFW Elite Car Club.com](#). "This eye-catching rally red model has been meticulously restored, and I knew right away this was the one."

Mr. [Sturgeon](#) purchased the car at the world famous [Monterey Sports & Classic Car Auction](#) run by [RM Auctions](#) during the same week he attended the [Pebble Beach Concours d'Elegance](#), one of the world's top classic car shows. "Many collectors wanted this little red '65 because it is one of the few from that year with factory air," explained [Sturgeon](#). "We're delighted to have it and expect it to be among our most popular [classic cars](#) very quickly."

[DFW Elite Car Club.com](#) has an exciting offer for new car club members who join before May, 1, 2007 - a free [Drive Your Dream](#) tour (www.DFWdriveyourdream.com). These tours give automotive enthusiasts craving variety the chance to drive five high-end automobiles back-to-back over some of Texas' most scenic roads. The experience includes high fives, photo opportunities, and lunch at an upscale bistro.

[DFW Elite Car Club.com](#) is headquartered at 5940 Eden in [Fort Worth](#), and serves [Houston](#), [San Antonio](#), and [Austin](#), as well as the [DFW Metroplex](#) with over 50 exotic and luxury cars, trucks and SUV's. For more information and to see a complete inventory of available vehicles, visit dfwelitecarclub.com, or call 817-231-0788.
