Noemi's early success with ReservaCar convinces her to invest in Dublin.

September 2007 saw Dublin business woman, Noemi Beres launch the website for ReservaCar Dublin Airport. This offers visitors to Dublin Airport a real-time, guaranteed, worldwide car rentals booking engine.

/24-7PressRelease/ - DUBLIN, IRELAND, November 12, 2007 - September 2007 saw Dublin business woman, Noemi Beres launch the website for ReservaCar Dublin Airport. This offers visitors to Dublin Airport a real-time, guaranteed, worldwide car rentals booking engine. The success of her venture so far has convinced Noemi to take the additional operating license for the whole of the Dublin area.

The website www.reservacar-dublinairport.com has a Live Booking System linked into just about every office of every major car hire company in the world.

Noemi boasted "To start with, I loved the idea of being able to offer such an expansive and simple to use car rental service to Dublin Airport visitors, but now I have the Dublin area operating license, I can supply the people and business of Dublin with the same great service for their car rental requirements anywhere in the world, for business or pleasure" She added "I'm really exited about the business and what it can do Dublin on the whole"

The website gives its clients the best available rates with split second decisions on availability for worldwide car rental.
