FruitFast makes whole fruit goodness available year-round in capsule, condensed liquid or fruit bar form. CherryFlex's proprietary process includes the fruit's skin and pulp to ensure 100 mg of antioxidants in every serving.

/24-7PressRelease/ - November 22, 2007 - For a limited time, FruitFast, the manufacturers of CherryFlex, America's best selling tart cherry softgel capsule, is offering a bottle of 60 of their popular gelcaps absolutely free of charge.
