About Estee Lauder

In 1946, Estee Lauder started business with one face crème, and the desire to bring out the beauty in every woman. By the time the revolutionary fragrance Youth-Dew was introduced in 1953, the Estee Lauder Company had already won a reputation for innovation, research and quality.

Now Estee Lauder's skincare, makeup and fragrance collections exemplify the best that technology, science and arts can achieve. The Estee Lauder name on a product is recognised in over 100 countries for quality and has gained a worldwide reputation for elegant, and luxurious products that uphold the finest standards of excellence through extensive research and stringent product testing.

The Estee Lauder Companies' annual Breast Cancer Awareness Campaign involves all of the 18 brands that make up The Estee Lauder Companies. They collectively represent The Breast Cancer Research Foundation's first and largest corporate supporter. Estee's daughter-in-law was the creator of BCRF's signature pink ribbon. Over \$10 million has been raised for The Breast Cancer Research Foundation since 1993. Another \$1 million was raised from their retail partners since July 2002.
