Wyndham Garden Opens Outpost in Costa Rica Hot Spot**

Creating a new model for luxury Jaco Beach living and vacationing is Wyndham Garden at Jaco Beach, a beach front condo-hotel located in Jacó, Puntarenas.

/24-7PressRelease/ - MIAMI, FL, December 12, 2007 - For many years Jaco Beach, Costa Rica has been an ideal destination for those seeking contact with nature, breathtaking beaches, and a surfer's paradise, all while enjoying an exciting "city life". Yet, until now, options to own a luxury beachfront property in this "urban oasis" have been limited and sub-par. Creating a new model for luxury Jaco Beach living and vacationing is Wyndham Garden at Jaco Beach, a beach front condo-hotel located in Jacó, Puntarenas.

Jacó, the closest beach to the Juan Santamaria International Airport offers the widest array of retail outposts, restaurants, and entertainment locals, provides the perfect location for this family-friendly getaway. With Wyndham Worldwide as a partner, guests and owners can look forward to the excellent services and superb amenities one would expect from one of the world's largest hospitality companies across six continents and the world's largest vacation ownership business.

Wyndham Garden Costa Rica made up of two contemporary, conjoined buildings, will be equipped with a spacious lobby, a glass bridge connector, 24 hour security, four state-of-the-art elevators, and high speed internet and cable in every unit. The common areas will be comprised of several pools, a Jacuzzi, an event room, day care, and a luxury Spa with an ultra-modern gymnasium. The 136 condo-hotel units will have top of the line quality finishes with porcelanata floors and European kitchens (Poggenpohl) with imported appliances. One of the most attractive and exciting aspects to the property will be a chic Rooftop bar, the first of its kind in the beaches of Costa Rica, as well as a beach front restaurant with international cuisine.

Jaco Beach's excellent nightlife has made it a "must" for many travelers with its casual and fun atmosphere and friendly people. A variety of activities can attract a wide audience including surfing lovers who soak up the consistent waves, fishing enthusiasts, visiting what is considered one of the best sport fishing areas of the world, and beach lovers worldwide. Additionally, the 18 hole golf course located less than 5 minutes from the property, as well as a public Marina offer further entertainment. A perfect destination for second home buyers, couples, and families, Wyndham Gardens Jaco Beach will fill a much needed hole in the marketplace.

Costa Rica is a one of Central America's eco-tourist hot spots and contains approximately a 5% of the world's biodiversity. Its beautiful beaches, rivers, mountains and colorful fauna, are an ideal destination for everyone. Bordering with Panama and Nicaragua, it also has the privilege of being surrounded by the Pacific Ocean on the west, and the Caribbean on the east. All of this amazing and breathtaking diversity can be enjoyed at Wyndham Garden at Jaco Beach.
