Chicago Marriott Schaumburg Proudly Announces the Opening of BlueFire Grille

Chicago Marriott Schaumburg Hotel is proud to announce the grand opening of its newest restaurant, BlueFire Grille.

/24-7PressRelease/ - SCHAUMBURG, IL, December 23, 2007 - Chicago Marriott [Schaumburg Hotel](#) is proud to announce the grand opening of its newest restaurant, BlueFire Grille.

Coming off of a remarkable \$12 million renovation, this hotel is fresh and vibrant at every turn. As a destination in and of itself, Marriott knows how to create sleek and sophisticated hot spots within its designated hotels.

As the newest [Schaumburg restaurant](#), the BlueFire Grille does not disappoint, with a chic yet casual atmosphere featuring handsome color schemes and hardwood floors that create an inviting first impression. It serves three meals a day from an internationally-infused menu offering a sophisticated blend of Italian and Mediterranean cuisines. From starters of Tuscan-style minestrone soup and arugula salad, to tiramisu and limoncello tarts for dessert, BlueFire Grille brings the bold flavors of Italy and the Mediterranean to Illinois. It also offers the traditional burgers and sandwiches to satisfy more classic, continental tastes.

A private dining room, suited to seat parties of up to 12 people, is also conveniently located within the restaurant. The perfect date-night destination or business dinner location, BlueFire Grille dims the lights into the evening to create a more formal and intimate atmosphere for guests looking for a sophisticated dining venue.

Give the gift of a tastefully inspired experience this holiday season, and surprise that someone special with a delectable meal at BlueFire Grille; then surprise them even further with a luxurious overnight stay.

Enjoy newly renovated hotel rooms and suites with contemporary design, complete with innovative technology and comfortable conveniences. Delight in upgraded amenities on each of the three concierge levels, including connectivity panels that seamlessly integrate an array of electronic devices.
