**Barry Burke joins Azteq USA, Inc. and will be President of the Azteq Group.**

*Azteq USA, Inc. is rapidly expanding the team of professionals needed to become the market leader in all fields they are active, from solar, design up to motor sports.*

/24-7PressRelease/ - COSTA MESA, CA, December 24, 2007 - Azteq USA, Inc. announces that Mr. Barry Burke is appointed as President for the Azteq Group of companies.

Based in Costa Mesa, California, Azteq will start building a AMA SuperBike Team that will compete in 2008. Azteq's SuperBike Team will be used as a marketing, promotion tool to build the brand. Azteq Solar is market leader in the solar industry for low voltage applications, Azteq Design is working for Fortune-500 companies all over the world while Azteq Licensing is a holder of several licenses, partners are Robby Gordon, Champ Car and more.

"With our 10,000 SQF facility we will become one of the most professional en well equipped teams in the circuit" as said by Barry. When we asked about the goal for 2008 Barry answered very confident that the coming year will be a building year but with all the expertise on board he won't be surprised if the team would be upfront or even win races.
