**Best-Selling Author Cheryl Robinson Releases Third Novel, Sweet Georgia Brown**

*Hell has no fury like a woman scorned! A docile housewife gets the 411 on her husband in Cheryl Robinson's new release, Sweet Georgia Brown*

**/24-7PressRelease/** - KINGWOOD, TX, January 02, 2008 - "Georgia Brown has always had her husband's back; she was the sole bread winner while he struggled to establish a career in show business as a comedian. Now she wonders if the sacrifice was worth it."

In *Sweet Georgia Brown* (New American Library, 0451222288, \$13.95), author Cheryl Robinson takes Georgia on a magnanimous ride to finding herself. Marvin finally gets his big break and is now a popular radio personality. But with his good fortune he inherits his thirteen year old daughter, who Georgia knew nothing about. He is constantly away from home, and he has developed a funky attitude about Georgia.

The popularity of his talk show seems to thrive on cracks about Georgia's weight, their marriage, their sex life, and his philandering. When Marvin actually puts his 'woman' on his live talk show, Georgia is through turning her head -- enough is enough! Marvin's female listeners demand his wife have equal time, and Georgia agrees to do the show. Payback is a mother, when Georgia receives an offer from a rival talk show. It's like wind beneath her wings, as she takes flight and all hell breaks loose!

Somehow the roles are starting to reverse and all of a sudden, Georgia is becoming a house-hold name and is realizing Marvin is no longer the man she married. Marvelous Marvin, still too full of himself, is treading in waters too deep even for his boots. And Georgia maybe the only one who can save him.

*Sweet Georgia Brown* is a delightful story of acceptance and empowerment. It shines as a beacon of light for women who find themselves in a position of power.

Praise for *Sweet Georgia Brown* . . . .

"This is a fabulous African American affirmative answer to "Will Success Spoil Rock Hunter?", but with a sweet twist as Georgia punches back in their on the air gender war. Fans including most males will root for Georgia as Marvin cruelly puts her down at home and in public. Told in three parts by Cheryl Robinson, readers will appreciate this fine tale of transformation . . . "
