Kineo appoints Operations Director as e-learning business grows

Kineo, the leaders in rapid e-learning, announced today that Nick Reed has been appointed as Kineo's new Director of Operations. Nick's appointment follows Kineo's strong growth throughout 2007 and further expansion plans for 2008.

/24-7PressRelease/ - BRIGHTON, UK, January 08, 2008 - Nick is currently Head of Capita's Blended Learning development team, and takes up his new role at Kineo at the start of February 2008. Nick's previous roles include Senior Training Analyst at Lloyds TSB e-learning team and a Project Leader at Epic E-learning. Nick is one of the most experienced e-learning managers around in the industry today.

Kineo's Managing Partner Steve Rayson commented: "I am delighted to have someone of Nick's experience and capability on board. I am very confident that Nick will add value to our existing team and support our growth going forward. Our expansion plans for 2008 require a top level operations director and we have that in Nick."

Nick Reed commented: "I am thrilled to be joining Kineo. I really admire the team at Kineo and what they have been able to achieve in such a short space of time. I am very excited to be joining such a professional and dynamic organisation and am looking forward to being part of the growth of the business. "

About Kineo

Kineo is a leading rapid e-learning and consultancy company.

We bring fresh thinking to e-learning, because we believe it can be done faster, better and more effectively. We've partnered with Google, BP, C&W, VirginMedia, HSBC, Reuters and M&S to take a fresh approach to e-learning.

We build long term relationships by earning our clients' trust. We do this through our consistently high standards of service, our professional conduct, responsiveness and our complete commitment.

With collective experience on over 300 e-learning solutions, we've got the most talented design and development team in the business. We have innovated to develop a rapid e-learning approach that enables us to deliver business benefits faster and more cost-effectively for our clients, whether short rapid e-learning projects or a large custom e-learning project.

We're passionate about sharing our new ideas for e-learning. Our website features over 100 articles, 25 reports and white papers which are available free to visitors.

For a fresh take on what's possible in e-learning, take a look at www.kineo.com or visit Kineo on stand 71 at the Learning Technologies conference at Olympia, London on 30/31st January 2008.
