Offshore Group Posts Manufacturing in Mexico Seminar On-Line

Comprehensive manufacturing in Mexico information available.

/24-7PressRelease/ - TUCSON, AZ, January 18, 2008 - The largest provider of outsourced manufacturing support, or "shelter" services in Mexico, has posted complete program content from its October 2007 Manufacturing in Mexico Summit on its website. This information will be of value to businesses that are contemplating or preparing to conduct business south of the border.

More than 20 hours of video of speakers with expertise in global manufacturing strategies, Mexican customs, taxation and labor law, U.S. Customs, Mexico's supplier base, as well as the political and economic aspects of manufacturing in Mexico is available. Each speaker's Powerpoint presentation is accessible, as well.

The Manufacturing in Mexico Summit takes place each October, and is largest gathering of manufacturing executives in Mexico

About The Offshore Group

The Offshore Group has enabled companies to establish and maintain manufacturing facilities in Mexico at low cost and risk since 1986.

Its 62 clients are in the aerospace, automotive, electronics, HVAC, medical device and general manufacturing industries.
