Another year has come and gone; and along with it another Logo Design Makeover Giveaway. LogoBee, Inc. would like to thank all of the participants from this year and encourage them to try again next year.

/24-7PressRelease/ - MONTREAL, CANADA, January 23, 2008 - Another great year has passed; and along with it another wonderful LogoBee Logo Design Makeover Giveaway. The response to the Makeover Giveaway was outstanding this year; it grows larger and larger with each year that it is held.

There were so many worthy submissions that choosing the winners was a difficult task for our judges. LogoBee would like to express its gratitude to all of the non-profit organizations out there for doing the great work that they do. LogoBee will continue to donate their services to these organizations to try and help make the world a better place for everyone to live in. That is why LogoBee. would like to thank all of the participants from this year and encourage them to try again next year. The process of helping out one another must continue.

The selected organizations for this years event are: International Certification and Reciprocity Consortium; Triangle Vegetarian Society; West Valley Community Services; ProfessorBeyer.com; Catholic Services of Macomb; and Project AWARE Foundation. All of these groups do great work and contribute a lot of their time to aiding others; it will be a pleasure to work with them to create their logo designs.
