Complete Profits University....New System making a big impact on the internet marketing frontier!

Complete Profits University is revolutionizing the Internet Marketing and Training Industry

/24-7PressRelease/ - CALABASAS, CA, January 23, 2008 - Work from home with Complete Profits University - It only takes two to three hours a day, and the University offers a full seven day internet marketing training just for looking at the web site. You will not be left alone, Complete Profits University will provide training and help you 100% on your way to success. You will get paid immediately on all \$897 sales. Complete Profits University teaches marketing secrets you can apply to any online business and make it a success. No passing up or splitting the sales. Every student is qualified to receive a 100% commission starting from their first sale.

Complete Profits University has one of the widest demographics around. Every website owner, whether it is a brick and mortar or a home based business needs the training that the Complete Profits University provides. Having a website with no exposure is like having a car with no gas. The University was founded to teach website owners how to market effectively, without spending too much money, and drive targeted traffic to their website while building their database list.

Complete Profits University realizes the enormous growth of the internet over the last 10 years and is taking advantage of that growth. Offering services to the general public in the form of a quality proven home based business solution to supplementing your income, and also offering services to the ever growing Internet marketing business with products and services such as over 450 software education products directed towards topics such as getting traffic to your website, building your own website, how to advertise all over the web, and much more.

Complete Profits University realizes and understands that the home based business boom is in full effect, but not every business out there is a legit honest opportunity to make money. Complete Profits University is dedicated to helping its members get back on track and earn the money that they want, need, and deserve to earn. Make up that lost time, money and effort and check out this new system that is taking over the home based business and Internet marketing boom by storm.
