Life's Golden Ticket has changed thousands of people's lives and helps us realize that we all get a second chance -- we just have to take it.

Here's what Jack Canfield said about Life's Golden Ticket:

"This is a powerful parable of loss, love and redemption that will stir the souls of its readers. Burchard has crafted something eternal here -- a rare and authentic glimpse into how we can learn, change and grow."

The Library Journal called Life's Golden Ticket "visionary and inspirational," and I know that you'll agree.
