Visitor numbers treble ahead of the launch of [CarLeasingSpecialOffers.co.uk](#)

Internet advertising company Really Good Domains Ltd is to launch re-branded site [www.CarLeasingSpecialOffers.co.uk](#) next Monday, 4th February 2008.

/24-7PressRelease/ - February 02, 2008 - Internet advertising company Really Good Domains Ltd is to launch re-branded site [www.CarLeasingSpecialOffers.co.uk](#) next Monday, 4th February 2008.

Originally called LeasingAndContractHire.com; the website was purchased by Really Good Domains in November 2007 and a redesign was launched on 8th December 2007. Since then the site has almost trebled visitor numbers. Proving a big hit with advertisers as well as businesses and individuals looking to lease cars, all offers are centrally administered through the UK's original & most successful car leasing portal; [www.ContractHireandLeasing.com](#)

The site will be further developed and refined over the coming months to provide a fantastic service to visitors and advertisers alike. Really Good Domains are also launching sister site; [VanLeasingSpecialOffers.co.uk](#) at the same time, to specialise in vans and light commercial vehicle leasing. They are expecting similar success as they have enjoyed with all of their other market leading motoring websites.

Dave Timmis, M.D of Really Good Domains says:

"The acquisition and development of this website has been fabulous news for everyone and very well received by the industry. [ContractHireAndLeasing.com](#) is widely recognised as THE place to advertise car leasing offers - not just online. Marketing budgets & consumers are drifting away in ever increasing numbers from expensive, out of date car magazines. [CarLeasingSpecialOffers.co.uk](#) & [VanLeasingSpecialOffers.co.uk](#) provide the next largest audience for advertisers in this industry. Our websites are independently recognised by Hitwise as having the biggest market share in their respective sectors. The re-branded sites complement the highly targeted additional exposure [ContractHireAndLeasing.com](#) advertisers already receive on [www.CarLeasingCompanies.co.uk](#) [www.TheVanWebsite.co.uk](#) [www.FleetDirectory.co.uk](#) and [www.TheGreenCarWebsite.co.uk](#)"

Widely recognised as one of the most successful Internet advertising companies, Really Good Domains own and maintain more motoring websites than any other company in the UK. Their websites attract specific users and each is independently recognised as the busiest and most effective in its sector. Their portfolio includes:

[www.SaveMoneyOnCars.co.uk](#)

[www.CarSupermarkets.co.uk](#)

[www.TheVanWebsite.co.uk](#)

[www.FleetDirectory.co.uk](#)

[www.RoadTestReports.co.uk](#)
