**UniKeep Contest Winners Receive Cash Prizes Totaling \$10,000**

*2007 Design Contest Award Winners Announced*

**/24-7PressRelease/** - MARYSVILLE, OH, February 03, 2008 -- UniKeep LLC, a Univenture company, is the manufacturer of the award winning View Case Binder and an extensive line of unique document storage and handling products. The company is delighted to announce the "Best of Show" and "Best of Category" winners for the 2007 UniKeep Design Contest. The contest, now in its fifth year, offered a \$1,500 cash prize to the Best of Show winner and a \$500 cash prize to each of the five Best of Category winners. Contest judges chose the talented winners from the monthly winners during 2007 and winning entries were announced in the January Issue of UniKeep eNews.

Sponsors for the 2007 contest were Scrapbooking & Beyond and Creative TECHniques magazines. Judges for the UniKeep Design Contest were Jane Guthrie, Editor of Scrapbooking & Beyond Magazine, Natalie Rhinesmith, Editor of Creative TECHniques Magazine and Judi Kauffman, nationally-known designer, writer, and teacher. They will again be judging the 2008 Design Contest. Scrapbooking & Beyond and Creative TECHniques magazines will continue as sponsors for 2008.

"The entries for the 2007 contest have been truly wonderful! They were so imaginative and creative in design," said Ross Youngs, CEO of UniKeep and inventor of the UniKeep View Case Binder. "Our loyal UniKeep users have a lot of talent and each year they keep raising the design bar. They continue to provide fresh, creative design ideas for using our versatile View Case Binders to stay organized."

Janina Boesch, a web designer in New York specializing in interactive media, is the 2007 Best of Show winner for her "Freestyle Swimming" entry which also won Best of Category in Sports. According to the judges, this entry portrays more than just an image - it tells a complete compelling story. It is too good not to get the Big Prize!

"In this design I tried to capture the speed and power that dictate a swimming contest. Especially in freestyle, swimmers look very dynamic and energetic," said Janina about her winning design. "I very much enjoy working on fun projects like the UniKeep design contest. Winning the annual contest in two categories and the Best of Show is certainly the nicest reward for doing what I love to do most."
