Jobs In Dubai and surrounding area. Work in the Middle East Region. Dubai Jobs and Middle East Jobs. Fast and easy process. Dubai's largest recruitment service

/24-7PressRelease/ - February 15, 2008 - Jobs in Dubai Inc, a leading supplier of e-recruitment services to employers in the GCC world and jobseekers worldwide, is increasing their online presence by merging with SOS Recruitment. This is a powerful combination of online recruitment in the UAE.

Jobs in Dubai Inc will increase critical mass in the e-recruitment market and establish a position to deliver a more comprehensive service to job seekers worldwide. This merger increases Jobs in Dubai Inc online existence as a powerful supplier of online CV's to employers in Dubai (UAE), Bahrain, Oman, Qatar, Kuwait and Saudi Arabia.

Employers post over 500 job requests a month on Jobs in Dubai Inc, which currently holds a candidate database of over 60,000 live CV's, making it one of the most extensive online job resource for job seekers who focus on Dubai (UAE).

This merger is a step forward in the online growth and development of Jobs in Dubai Inc by combining the traditional agency model of SOS recruitment through technology and advanced resourcing. This combination will allow Jobs in Dubai Inc achievement of greater mass within the e-recruitment industry.

Jobs in Dubai Inc will continue to help you get the edge you need, to ensure successful placement!
