"I can take the guesswork and trouble out of on-line shopping. If a client needs something, we have it, we can locate it, and there is a live person who can help complete the request.

Randy Robinovitch is a sales professional who has tapped into the unlimited marketing potential of the Internet. And she wants you on her team.

With years of experience in corporate sales, Randy knows a good opportunity, and she knows how to treat her customers.

/24-7PressRelease/ - SCOTTSDALE, AZ, March 02, 2008 - Randy Robinovitch is a sales professional who has tapped into the unlimited marketing potential of the Internet. And she wants you on her team.

With years of experience in corporate sales, Randy knows a good opportunity, and she knows how to treat her customers. She saw an outstanding opportunity in Market America, a one-stop website for Internet shopping. This site offers access to a wide-range of Internet shopping sites --for all kinds of products-- as well as for partner stores like Wal-Mart, Target and Barnes & Noble. Market America combines the unlimited shopping resources of the Internet with the personal touch of a sales professional such as Randy. She can help you find what you are looking for fast, and for the best price. And get it shipped to you quickly. The ultimate shopping experience!

Randy is looking for other individuals who want to join her sales team in this exciting Internet marketing business—with the amazing personal touch.

Through its revolutionary One-to-One Marketing concept, Market America combines the Internet with the power of people. According to Randy, as a sales consultant, you can specialize in any area you want, and all the training is provided for you.

"If a client needs something, we have it, we can locate it, and there is a live person who can help complete the request," says Randy. "There is no product or solution that we don't carry!"

Randy also enjoys the flexibility of Market America. "I love that on my portal there are Market America products AND every other product out there to shop on line with," says Randy. "You don't have to buy Market America products to be my customer. I can help you with ANYTHING!"

According to Randy, the growth potential is unlimited. "Market America is growing by leaps and bounds," says Randy. "They just merged with Google, and there is no where else I would rather be!"

"I love what I am doing," says Randy. "I have my customers; I treat them very well, and they know me very well. Each one gets excellent service. I can always share news with them and they can with me."

Randy is the perfect one to partner with in this lucrative business. Before starting this new career in Internet shopping, she enjoyed a 14-year career in corporate sales (including positions as account executive, senior sales representative, account manager, and named account executive). Randy knows business; she knows people; and she knows a good thing when she sees it.

To join Randy Robinovitch on her team in this rewarding and lucrative Internet shopping business, give her a call or send her an email at robinovitch@qwest.net
