Intertops Launches New Tomb Raider Video Slot with PSP Giveaway

New Lara Croft video slot "Tomb Raider - The Secret of the Sword " is a glossy 5-reel 30 pay-line offering lots of ways to hit major cash rewards. To celebrate, IntertopsCasino.com is giving away 10 Sony PSP portable Playstation.

/24-7PressRelease/ - ANTIGUA, March 13, 2008 - Intertops.com has added a brilliant new Lara Croft Tomb Raider game -- the most ambitious video slot ever seen in online gambling -- to their already incredible selection of online casino games. To celebrate the launch of this fantastic new interactive entertainment, Intertops.com is giving away 10 PSPs -- Sony's newest portable model of its famous Playstation.

The new "Tomb Raider - The Secret of the Sword " video slot is a glossy 5-reel 30 pay-line multi-faceted video adventure that sets new standards in every aspect of online gaming. This outstanding game offers hours of interactive entertainment -- and the chance to hit major rewards through a variety of free spins, bonuses, wild and scatter awards and free games.

The latest adventure of the intrepid Lara Croft, "Tomb Raider - The Secret of the Sword " is a licensed concept from the globally popular series by Eidos. The new game captures the gripping excitement and suspense of the movie and video series. With unique twists and turns, it makes for a fully immersive online gambling experience.

Until March 21st, just spinning the wheels on the Tomb Raider video slot will automatically enter players in a random draw to win one of ten PSPs including an astonishing Lara Croft console game. (Ten spins for one draw entry.)

Intertops has a longstanding tradition of global customer service. As always, they welcome American players to their online casino, poker room and sportsbook. Trusted around the world for two and a half decades, Intertops guarantees easy and secure deposits and withdrawals.

About Intertops

Intertops was founded in 1983 in London with a UK Bookmakers License and relocated to Austria in 1992. They accepted the world's first online bet in 1996. In 2000, the innovative company developed one of the first igaming WAP sites, enabling it to be one of the first to accept mobile bets. By 2003 Intertops.com began online poker operations, progressing to online skill-based gaming in under a year.
