Create A Perfect Outdoor Fire Place

Use Fire Pits and Chimeneas for Outdoor Fire Places

/24-7PressRelease/ - ROCHESTER, MI, March 14, 2008 - Having an outdoor party is not complete without an outdoor fire place. Outdoor fire places add warmth and coziness while creating a centerpiece for guests to admire. Stop by www.patiopreserve.com and find exclusive fire pits and chimeneas for outdoor parties.

Raised level, water resistant fire pits offer the function of a BBQ and the charm of an open fire. The Copper Finished Fire Pit includes a removable screen to contain flying embers plus, a heavy log grate to ensure proper air flow. For a more stylish outdoor fire place, add an embellished Royal Chimenea and subdue the fire and those pesky flying ashes.

When inviting friends over for an outdoor party, make sure they notice the style and charisma of your outdoor patio by including exclusive fire pits and chimeneas from Patio Preserve. Weather resistant outdoor fire places will help you entertain in style.

About Patio Preserve

Patio Preserve offers high quality, all-weather patio furniture and umbrellas, bird baths, arbors and trellises, garden accessories, chimeneas and fire pits—all at discounted prices. As a family-owned, outdoor furniture manufacture for over 20 years, we know the industry, and more importantly, we know our customers. We are unique in that we are manufacturers, designers, and customer service experts. This combination has paved the way for our superiority in the business. A verified Authorize.net merchant, www.patiopreserve.com provides a simple, convenient, and easy to navigate shopping experience with free ground shipping on all items. Purchases can be charged online with MasterCard , American Express , PayPal and Google Checkout. Visit www.patiopreserve.com.
