Conley Motorsports Welcomes American Metal Supply as Major Sponsor

The Conley Motorsports, Inc. teams would like to welcome the American Metal Supply Company on board as a major supporter of Delmas, Rod, and R.J. Conley for the upcoming 2008 racing season!

/24-7PressRelease/ - BLUE ASH, OH, March 16, 2008 - The Conley Motorsports, Inc. teams are prepping their equipment for the start of the 2008 racing season! Delmas, Rod, and R.J. Conley will once again skip "Speedweeks" in Georgia and Florida and will start their respective '08 campaigns in late March/early April.

The Conley Motorsports, Inc. teams would like to welcome the American Metal Supply Company on board as a major supporter of Delmas, Rod, and R.J. Conley for the upcoming 2008 racing season! Located in both Louisville, Kentucky and Cincinnati, Ohio, American Metal Supply strives to achieve the highest degree of customer satisfaction possible by providing the most expedient delivery of top-quality metal products to any and every metal consumer. They can source anything in metal or plastics. If it is made, American Metal Supply either has it in stock or they will find it for you! Please visit the American Metal Supply Company online at <http://www.amsupplyco.com>

American Metal Supply Company provides the most expedient delivery of top-quality metal products to any and every metal consumer. One piece or a truck load - no minimum charge - same day delivery.
