OPTIMUM OUTSOURCING Ltd. GIVES A SUCCESSFUL START TO ITS COBOL SERVICE CENTER

Today Optimum Outsourcing (www.optimum-outsourcing.com) officially announces the fully operational readiness of their COBOL Service Center.

/24-7PressRelease/ - March 19, 2008 - After running a number of successful pilot projects, Optimum Outsourcing is proud to announce the fully operational readiness of their COBOL Service Center.

The COBOL Service Center will provide both COBOL Program Development and Maintenance Services, within the appropriate methodologies.

Initial focus (ref. pilots performed) will be related to the mainframe environment, but is not strictly limited to that particular environment.

Today Optimum Outsourcing is putting forward both its knowledge and its master, not only on COBOL but also on development tools and DB's such as ISPF, JCL, SDSF, VSAM, CICS, DB2, Pacbase.

Optimum Outsourcing's President proudly reflected this major milestone as a response on market demand:

"On many occasions, our customers requested us to support them on their COBOL environment as well because in fact, still a major portion of their day-to-day ICT activities consist in supporting, changing, monitoring a huge base of their COBOL based legacy systems".

Optimum Outsourcing is specialized in the following services; Legal Transcription, Invoice Processing, Bank domiciliation, CV decoding, Customer/Transaction due diligence for bank institution, Cost saving simulations, Surveys Processing, Software Development / Development farm, Document Indexation, Text summarization, Custom Web Data Extraction Services, Data Capture and Data Collection, Data Entry and Data Encoding Services, Data Tagging - HTML or XML, Data Migration, Consumption Tracking (Public sector), Medical Indexation and Media Content formatting, Rfid, Cobol Service Center, SEO (Search Engine Optimization).

Optimum Outsourcing offers a wide range of Business Process Outsourcing (BPO) services and guarantees accuracy, efficiency and high quality standards when managing your day-to-day data processing tasks.

With its high level of expertise and professionalism, Optimum Outsourcing is your partner of choice for all data outsourcing operations including data entry, data capture, data analysis, data cleansing and digital archiving.
