**Organize with Mini Chrome Wire Shelving Units**

*Stay stylish and organized with Mini Chrome Wire Shelving Units*

/24-7PressRelease/ - ROCHESTER, MI, March 20, 2008 - Mini Chrome Wire Shelving Units are extremely flexible storage solutions for any space of the home. The Shelving Store launched these Mini Chrome Wire Shelving Units to fit the needs of organization in the small spaces that sometimes get ignored.

Small areas of bathrooms, kitchens, closets, and home offices benefit from the many available sizes of Mini Chrome Wire Shelving Units. They come in depths of 12", 14", 18", and 24" and widths of 12" to 72" so it is simple to create a customized storage solution. Since Mini Chrome Wire Shelving Units come with either one, two, or three shelves, they are able to fit into small spaces while maintaining the durability and convenience of the larger available units.

All of the Mini Chrome Wire Shelving Units may be customized with a variety of accessories, including casters, shelf dividers, and shelf ledges. The Shelving Store also carries enclosure kits and shelf liners to transform open chrome wire shelving units into tidy cabinets. Do not sacrifice style, use Mini Chrome Wire Shelving Units and accessories for all storage needs.

**About Shelving, Inc. & The Shelving Store**

For nearly 50 years, Shelving, Inc. has helped business and industry bring order to the messiness of the workplace. The experts at Shelving, Inc. streamline storage procedures and organize any commercial or public space. Shelving, Inc. has served the business community in the Detroit metropolitan area since 1960. Beginning in 1996, it began serving customers nationwide when the company launched its first cyberstore at [www.shelving.com](http://www.shelving.com). Increasingly, these customers requested products for their homes. The owners of Shelving, Inc. decided it was time to launch their second cyberstore and first residential showroom. At [www.theshelvingstore.com](http://www.theshelvingstore.com), and a showroom in Madison Heights, Michigan they now bring their organizational expertise to any storage space in your home. Shelving, Inc. and The Shelving Store have two distribution centers that ship products globally.
