**Law (In Plain English) for Small Business, 2E**

*No matter what stage your business is at, it is never too late to get on track. So, whether you are thinking about opening a small business, wanting to make sure that you do it right, or ready to expand to the next level—The Law (In Plain English) for Small Business has everything you need!*

/24-7PressRelease/ - NAPERVILLE, IL, March 21, 2008 - Starting a Small Business is Easy. Doing it Right is Not.

Owning a small business is a risky career. When you're in charge, every decision you make directly impacts your success. Careful planning is crucial for identifying your goals and creating a path to achievement, and the key to success is understanding all of your legal obligations and the legal protections available to you as a small business owner.

The Law (In Plain English) for Small Business is your one-stop guide for making the right decision every time. It provides vital legal and business information in simple, everyday language, giving readers quick answers to their questions. With clear and accurate explanations of the laws affecting your business, it covers all the aspects of starting and successfully managing a small business, including:

- Business plans
- Incorporating or forming a partnership
- Licenses
- Hiring, managing, and firing employees
- Trademarks
- Advertising
- Taxes and insurance
- Contracts and collecting payment

It also helps drive your business toward the future by examining such unique subjects as:

- Franchising
- Succession planning
- Multilevel marketing
- e-Business considerations

Business owners in any field of endeavor will benefit from this book and its accessible, easy-to-understand style. No matter what stage your business is in, it's never too late to get on track. Whether you are thinking about starting a small business or are ready to expand to the next level, The Law (In Plain English) for Small Business has everything you need!
