mpGreek and Dias group introduce the new online music store in Cyprus

mpGreek the largest Digital Music Services provider for Music Downloads and DIAS Group the biggest media group in Cyprus, introduce the new digital music service of music.sigmalive.com.

/24-7PressRelease/ - NEW YORK, NY, March 28, 2008 - mpGreek the largest Digital Music Services provider for Music Downloads and DIAS Group the biggest media group in Cyprus, introduce the new digital music service of music.sigmalive.com. [Music.sigmalive.com](http://music.sigmalive.com) offers all the current and classic Greek music hits as well as a plethora of genres and categories to satisfy even the most selective fans.

[Music.sigmalive.com](http://music.sigmalive.com) will be the first digital music service designed for a Cyprus media group by mpGreek, offering more than 70,000 Greek songs available for download.

[Music.sigmalive.com](http://music.sigmalive.com) allows users to download music into their PC's from the largest Greek digital catalogue, powered by mpGreek. It has all the features of online previewing, secure payments, Digital Rights Management and full online customer service support.

mpGreek simplified the user experience with more features and even more content. Consumers can easily buy music encoded in high audio quality from major and independent record labels. Users can rate the songs they see on sigmalive.com and send an e-dedication email with the audio preview and a small note to any email address. Prices are 1.10 cents per track. Purchased downloads can be burned onto CDs, transferred to compatible portable devices, and used on a total of five or ten PCs.

"The market of Cyprus required for quite some time a legal institution of disposal of digital music ", says Michael Rizos, mpGreek Business development director. "The musical industry of Cyprus has been affected by the piracy in the internet datum that the consumers could not buy Greek repertory online. In mpGreek we believe that our collaboration with a group of such prestige and scope as Dias group, the Greek musical repertory will be sold with big success in the users sigmalive.com, at all compact and informed portal "

"Sigmalive is the first completed internet gate of Cyprus, which has everything as our slogan says. It would be our omission between all of our skills such as 24hours briefing, live streaming video and audio the podcast and so much other of giving the sigmalive.com user the possibility to have legally and secure the digital Greek music he loves" says Sillia Vasiliou Web Manager of Sigma Radio TV Public Ltd. "We are glad for our collaboration with a recognized service of downloading Greek music, mpGreek increase the choices of www.sigmalive.com users and corresponds in the bigger picture that we lend in portal: Sigmalive has everything"

About Greased Networks, Inc.

Greased Networks is a leading technology firm at the forefront of Greek music downloads with its service mpGreek. mpGreek has long been recognized as one of the largest providers of Greek digital music content in addition to being one of the largest Greek online music stores over all since February of 2005.
