Imagine adding to that fantasy an extended stay at a huge Vegas resort during a WSOP event. DoylesRoom will make those dreams come true by offering one of their biggest prize packages ever, in preparation for the upcoming World Series of Poker.

DoylesRoom has offered some valuable prize packages in the past, however their Vegas Poker Fantasy prize package tops them all. The lucky winner of this amazing promotion will receive a 13-night stay at one of the best-known hotels on the Vegas Strip. During their stay, they will be given a chance to participate in the WPT Bootcamp Champions Event, where poker pros will show them the ropes of the tables, firsthand. This event also offers tournaments where the winner gets a chance to test their skills and win buy-ins at additional tournaments, as well as cash prizes.

The fun in Vegas does not end there, however, as the winner will also have a seat in Event #2 of the WSOP, where the top poker pros will be competing for the coveted WSOP bracelet and a prize pool that will surely reach into the six-figure range. DoylesRoom is really looking out for their prizewinner, also offering \$1500 for travel expenses and \$1000 in spending money, bringing the value of the package to over \$9700.
