Manufacturing in Mexico "Webinar" to be Offered by The Offshore Group

Manufacturing executives are invited to attend a free on-line "webinar" that will provide detailed information on installing productive capacity in Mexico.

/24-7PressRelease/ - March 31, 2008, Tucson, Arizona - Representatives from manufacturing firms interested in exploring the possibility of establishing production facilities in Mexico are invited to join The Offshore Group for a free, on-line "webinar" on Thursday, April 3, 2008 at 3pm EST.

This one hour session, entitled "Manufacturing in Mexico with The Offshore Group," will provide interested executives detailed information as to how the Offshore Group's Shelter Program business model has enabled its customers to establish and operate maquiladora plants at low cost and risk since 1986. Accurate benchmark numbers will provide attendees with a top-level overview of the cost structure related to manufacturing south of the border.

Interested parties are invited to register at:
