Leo Palace Hotel in Kuala Lumpur Offers Best Rates and Instant Confirmation Online with New Reservation System

Leo Palace Hotel in Kuala Lumpur has improved its website by launching a new reservation system that promises best rates and offers instant confirmation online.

/24-7PressRelease/ - KUALA LUMPUR, MALAYSIA, April 01, 2008 - Leo Palace Hotel in Kuala Lumpur has revamped its website, www.leopalace.com.my. It now accepting online reservations, where guests can avail of the lowest rates online, and also receive instant confirmation for their room reservations.

With the hotel's new reservation system, guests can easily navigate through the website to view the different accommodation types and facilities available. Guests will also be presented with a 14-day calendar, to check room availability for two weeks within their planned stay. Reservations can be confirmed instantly once secured by a deposit payment.

Leo Palace Hotel is perfectly suited for business and leisure travellers who want to be in the middle of Kuala Lumpur's hustle and bustle. The property is five minutes away from the Putra World Trade Centre, and ten minutes away from The Mall Shopping Centre. For more information about the hotel's facilities and services, as well as other information, just log on to their official website, www.leopalace.com.my.

The hotel's reservation system is powered by DirectWithHotels. This company helps accommodation providers by making direct reservations performance simple. It provides cutting-edge reservation technology coupled with an efficient support service. With this, guests can obtain instant confirmation on their reservations after guaranteeing their transaction with a deposit. Accommodation providers, in turn, enjoy improved profitability and eliminate reservation risk. For more information, log on to <http://www.directwithhotels.com>.
