/24-7PressRelease/ - BRONX, NY, April 02, 2008 - Fordham Toyota, one of the leading Toyota dealers in New York, announces the availability of the 2008 Toyota 4Runner at its dealership.

High-performance SUV

The fourth-generation Toyota 4Runner combines true off-road competence with supremely high standards for everyday driving comfort, refinement and safety. The 4Runner packages these qualities in a design that is youthful, sporty, and most of all, genuine. The 4Runner is offered in three grade levels: the SR5, the Sport Edition that features a distinct appearance and enhanced handling performance, and the Limited grade with additional comfort amenities. The 4Runner seats up to seven with an available third-row seat option on SR5 and Limited models.

The 2008 4Runner is available with a choice of V6 or V8 engines, in 2WD and 4WD models. The standard 4.0-liter dual overhead cam (DOHC) V6 engine produces 236 horsepower, with 266 lb-ft of torque at 4,000 rpm. The available 4.7-liter i-Force DOHC V8 produces 260 horsepower, with 306 lb-ft of torque at 3,400 rpm.

Like all Toyota SUVs, the 4Runner comes standard with the advanced STAR Safety System, which includes Vehicle Stability Control (VSC) and Traction Control (TRAC), an anti-lock brake system (ABS) with Electronic Brake-force Distribution (EBD) and Brake Assist. For details, contact the dealership or log on to <http://www.fordhamtoyota.com>
