**/24-7PressRelease/** - TAMPA, FL, April 02, 2008 - The Great Awakening Tour is not just another Christian Conference. This is a radical campaign to reach a radical generation to impact communities-your community-with the life-changing message of the Lord Jesus Christ. We have seen over 350,000 decisions for Jesus in 14 months. This tour is a mobilization of the body of Christ to go and present the Gospel to those who need Jesus. Soulwinning training is offered every morning to train local Christians to witness on the streets.

You may ask yourself the question, "Why here and why now?" Here's why:

- In the early hours of Christmas morning 2002, Drs. Rodney & Adonica held their 18 year old daughter in their arms, dying of Cystic Fibrosis. Before the devil could steal her, they offered her up as an offering to the Lord-the best gift they could ever give in a lifetime. As she lay dying, they made a vow that the devil would pay for what he had done to their daughter.
- They vowed to do everything in their power, with the help of the Lord, to win 100 million souls to Jesus, and to put \$1 billion into the harvest.

Many people have been praying for God to touch America. Drs. Rodney & Adonica Howard-Browne believe that The Great Awakening Tour is an answer to those prayers. Only Jesus can bring peace and forgiveness and change a life, a family, a neighborhood, a city, and a nation! America needs a Great Awakening and now is the time.
