MyBandsMusic.com Breaks New Ground-Offers 100% Profits Of Music Sales To Artists

MyBandsMusic gives artist the options of digital and physical distribution of their music, making announcements, fan communications, blogs, reviews, charts, and video posting- all right at their fingertips.

/24-7PressRelease/ - BOSTON, MA, April 03, 2008 -- MyBandsMusic, a recently launched indie music and social networking site, where fans and bands meet, has done what all artists have been looking for, they are offering a groundbreaking and unique business model that allows 100% pass through sales for downloaded tracks and CDs artists have on the site.

"With a myriad of sites to choose from it becomes confusing for the indie artists, this option is one that is so rare that the choice now will be clear cut and right to the point" said Keith "MuzikMan" Hannaleck, MyBandsMusic site administrator and the artists' main point of contact.

MyBandsMusic gives artist the options of digital and physical distribution of their music, making announcements, fan communications, blogs, reviews, charts, and video posting- all right at their fingertips. All the tools that a band needs to implement complete viral marketing campaigns with plenty of fan interaction are available through the social networking capabilities of the site.

Currently MyBandsMusic is attracting artists, their fans, and allowing new members to discover great and varied indie music. There are many benefits for fans and artists to enjoy with more features on the horizon to benefit everyone.

MyBandsMusic gives the hard working indie artists an opportunity to receive 100% of the payout for their hard work and their fans a place to interact, create forums and let other members know about their favorite artists.
