DoylesRoom Launches Lucrative WSOP Main Event Satellites

As the baseball season gets underway on diamonds across America this week, poker fans won't be waiting patiently until October to revel in real World Series action. The eyes of the poker world have their sights surgically set on a nearer target, this summer's 2008 World Series of Poker.

/24-7PressRelease/ - SAN JOSE, COSTA RICA, April 05, 2008 - Entering its third decade as poker's premiere event, the 2008 WSOP promises to be more monumental than ever before. Filled with dozens of events, the 2008 WSOP packs the power to transform relative unknowns into the next celebrity poker millionaires. While witnessing the rise of an icon on television is exhilarating enough, DoylesRoom is ratcheting up the thrills to unprecedented heights. With the launch of 2008 WSOP Main Event Satellites at DoylesRoom.com, poker fans may not only have the opportunity to witness the action live in Vegas, but they could very well take their seats at the WSOP Main Event and become poker's next seven-figure superstars.

Players can get in on the action with affordable entries, including continuous \$14 + \$1.40 Sit & Go Satellites, \$9 + \$1 Daily Turbo Satellites, and \$20 + \$2 Daily Satellites, as well as weekly satellites and Bi-Weekly finals.

Although a slew of poker rooms offer WSOP Main Event packages, none can compete with the comprehensive package DoylesRoom has in store. Package winners won't be fending for themselves on the Las Vegas Strip. In addition to receiving the \$10,000 buy-in fee, each package winner can rely on an extra \$3,000 for travel and accommodation.

Winners won't have to go it alone. The package includes a breakfast strategy session with the venerable Doyle Brunson, where participants can satisfy their poker appetite and break bread with the master and other renowned veterans. A personally autographed two volume leather-bound set of Super System 1 and Super System 2 will give each winner the wisdom and skills to succeed while the world is watching.

Package recipients will look sharp in coveted DoylesRoom swag while they mingle with their favorite buddies and online players. DoylesRoom will be there to capture the magic with an exclusive photo session featuring the legendary Doyle Brunson and other poker megastars.
