Dyan Garris joins Internet Radio Host Claudia McNeely on "A Time To Heal" April 9, 2008 at 9 PM EST

Author and Musician Dyan Garris will discuss her book 'Money and Manifesting'.

/24-7PressRelease/ - GILMER, TX, April 09, 2008 - Dyan Garris, will appear on the internet Radio Show "A Time To Heal" (<http://www.askclaudia.com/a-time-to-heal>) with host Rev. Claudia McNeely DD on Wednesday, April 8, 2008, at 9 PM EST, 6 PM PST.

For many years Dyan Garris has been counseling clients in order to help them move forward in their lives. She is clairvoyant, clairaudient, and clairsentient. In addition, Dyan is also what is known as a voice recognition psychic and trance channel. This means that she can help her clients via telephone, which is how she conducted her readings throughout her career. Dyan became aware of her clairvoyance and other gifts at a very young age. She spent years learning how to use these gifts to help others.

In late 2005 she began building a set of tools for integrative transformation and Automatic Chakra Balance . Dyan is the author, developer and artist of Voice of the Angels - A Healing Journey Spiritual Cards. This is a thirty card deck of angel cards based upon scenes from A Healing Journey Guided Fantasy, which is the guided meditation found on the last track of her first CD. Each card has its own channeled message in rhythmic quatrain verse from the angels who are the "voice" in Voice of the Angels. A journal is available separately as an integrative tool for use with the cards. Free angel card readings are available on her main site.

Dyan writes the Daily Channeled Message which posts on her website. She is the author of The Book of Daily Channeled Messages, Voice of the Angels Cookbook - Talk To Your Food! Intuitive Cooking and Fish Tale of Woe - Lost at Sea. Her latest book Money and Manifesting teaches why the law of attraction and the power of positive thinking are not enough for effective manifesting, and exactly what to do about it.

She created a CD series of instrumental music and meditation for healing, relaxation, chakra balance, and vibrational attunement of mind, body, and spirit. Each CD contains several tracks of relaxation music plus a guided meditation on the last track. There are six CDs in the series (all available separately) plus two radio version music only compilations and two meditation only compilations. A meditation journal is available as an integrative tool for spiritual growth for use with the CDs. The radio version music compilation Spiritus Sanctus Volume 2 was a 2006 New Age Reporter Lifestyle Award nominee in two categories and is still charting on the NAR Billboard. Spiritus Sanctus Volume 1 is a 2007 nominee. The CDs have earned the National Health and Wellness Stamp of Approval. Her new CD Release was released in late September 2007. Dyan's music can be heard nationally and internationally on numerous radio stations and recently charted at #1 on Music Choice's Soundscapes cable TV channel.

Dyan is a frequent radio guest, and Mystic Pop Magazine interviewed her for their January/February issue. Living In Style TV featured her products in their 2007 holiday show.
