/24-7PressRelease/ - ARDMORE, PA, April 12, 2008 - Ardmore Toyota, one of the leading Toyota dealers in Pleasanton, has launched April Specials featuring a special lease of \$199 a month or 4.9% APR for 60 months on the 2009 Toyota Camry.

**2009 Toyota Camry**

The 2009 Camry offers responsive handling while providing a smooth, quiet ride that has made this model so popular. The Camry's standard 2.4-liter engine develops 158 horsepower at 6,000 rpm and 161 lb-ft peak torque at 4,000 rpm and can be mated to a five-speed manual transmission or an electronically-controlled five-speed automatic. The DOHC 3.5-liter V6 available in other grades delivers a substantial performance boost with 268 SAE horsepower at 6,200 rpm and 248 lb-ft peak torque at 4,700 rpm. The V6 Camry models come equipped exclusively with a six-speed automatic transmission that offers a sequential mode for manual shifting when desired.

The Camry stands out in a competitive segment with its distinctive, athletic exterior design. The Camry's body structure is designed to absorb collision-impact forces and help minimize impact deformation to the passenger cabin. High-strength steel is used for B-pillar and rocker panel reinforcements to help manage overall body deformation in the event of a side collision. Inside the cabin, even the seat frames are designed to help absorb side collision loads.

All 2009 Camry models come equipped with a standard anti-lock brake system (ABS), Electronic Brake-force Distribution (EBD) and Brake Assist. For details, contact the dealership or log on to <http://www.ardmoretoyota.com>
