About the Ring Hotel Vienna

The Ring Hotel is now open on the city's famed boulevard Ringstraße. Owned by Sheik Mohamed Bin Issa Al Jaber and a member of Preferred Hotel Group's Preferred Boutique brand, the 68-key Ring follows the regional trend toward smaller hotels with spacious rooms and suites. It features a 200-sq.-m spa with a fitness room and steam room. The hotel restaurant called 'at eight' is of a Mediterranean cuisine focus. As well, the basement bar known as Drings strives for cosy comfort. Modern design dominates, with a colour palette of "caf au lait"—warm hues like chocolate brown, beige, pistachio and red. High-speed Internet is complimentary in all guestrooms.
