**Personalized Photo Hand Bags and Totes- Carry your favorite memory with you wherever you go.**

*Yourphototo.com is the place to buy any designer handbag or Totes you may need.*

/24-7PressRelease/ - FLETCHER, NC, April 17, 2008 - In this fashion world, it is very noticeable that many women who are strolling in malls, workplaces, colleges like to carry hand bags and totes. Well, it indicates that hand bags and totes regardless of how traditional and simple the design is, it never becomes outdated. Due to which various designs of bags are available in the market and it became the most preferred fashion accessories of modern women.

In the current trend, designs of printed pictures on to hand bags and totes are increasingly popular now. The photo bag can be very convenient to the sentimental ones. It rekindles the good old memories. Whenever you go, you can bring with you the memories that you share with other people.

Hand bags and Totes belong to a women's collection which is considered most indispensable. As Handbags are used to carry women's essential things such as make-up kit, lipsticks, and other personal things, if people think that Tote bags are only used for casual events then they may be wrong, since women always prefer bags which do not create hassles just to keep important things safe. Their needs have been answered by tote bags.

If you're looking for a small hand bag or a more trendy designer Tote bag, yourphototo.com is the place to buy any designer handbag or Totes you may need. The featured designers are on the cutting edge of fashion. Our designer handbags and Totes are in heavy demand right now.
