**Rama Beach Resorts and Villas in Bali Offers Best Rates and Instant Confirmation Online with New Reservation System**

*Rama Beach Resorts and Villas in Bali has improved its website by launching a new reservation system that promises best rates and offers instant confirmation online.*

**/24-7PressRelease/** - BALI, INDONESIA, April 19, 2008 - Rama Beach Resorts and Villas in Bali has launched its new official website, <http://www.ramabeachhotelbali.com>, now accepting online reservations, where guests can avail of the lowest rates online, and also receive instant confirmation for their room reservations.

With the hotel's new system, guests can easily navigate through the hotel's website to view the different accommodation types and facilities available. Guests will also be presented with a 14-day calendar, to check room availability for two weeks within their planned stay. Reservations can be confirmed instantly once secured by a deposit payment.

Rama Beach Resorts and Villas offers lavishly appointed villas and lovely resort accommodation, coupled with an extensive list of facilities, services, and activities that will make every vacation truly enjoyable. For more information about the hotel's facilities and services, as well as other information, just log on to their official website, <http://www.ramabeachhotelbali.com>.

Rama Beach Resorts and Villas' reservation system is powered by DirectWithHotels. This company helps accommodation providers by making direct reservations performance simple. It provides cutting-edge reservation technology coupled with an efficient support service. With this, guests can obtain instant confirmation on their reservations after guaranteeing their transaction with a deposit. Accommodation providers, in turn, enjoy improved profitability and eliminate reservation risk. For more information, log on to <http://www.directwithhotels.com>.
