**EMPIRE ISIS COMPLETES NEW TRACKS WITH PRODUCER PRAYON (G-UNIT, MOBB DEEP, SEAN PAUL, BEYONCE) FOR UPCOMING ALBUM RELEASE.**

*EMPIRE ISIS CONQUERS RECORDING WITH SUPER PRODUCER PRAYON*

**/24-7PressRelease/** - MONTREAL, QC, CANADA, April 21, 2008 - Empire ISIS the empress gangstress of urban pop in Canada. Has just recently completed recording her new album with super producer Prayon (G-Unit, Mobb Deep, Sean Paul, Beyonce) for the upcoming re-release of "Sound The Trumpets" under Monumental-HLM-Universal. After working weeks in the shelter of the famous Montreal Red Rhino Recording studio, Empire ISIS returns to Canadian and International stages preparing for her highly sought after performances.

"Really and truly you can say that Prayon and I have been working together for 2 years and we have finally found our deep science, our formula to success and sweet music that is entirely ours." says Empire ISIS about working with Prayon.

The long awaited tracks for the upcoming album are prepared for its international release later this year. And will see Empire ISIS promoting the album on a to be announced tour across Canada, the United States and Europe.

"Sound The Trumpets is about figuring out and digesting my life experiences, which is not a usual one, and I needed someone as insane and militant as me to see it through." says Empire ISIS.

"and Prayon is a psycho just like me we don't do music part time this is everything this Empire ISIS creating an Empire."

Prayon is the top music producer for TV in Israel who has worked with, Mobb Deep, G-Unit and now has added Empire ISIS to his producing credits.

"Two of the tracks off the album were for 50 cent, but he passed on them cause they were too crazy." says Empire ISIS

Sound The Trumpets is an album that will showcase the talents of Empire ISIS and describe a militant, passionate, and high-energy type of urban/pop/reggae sound, which can be appreciated by all. From her unique look to her blazing lyrics, ISIS is a true provocateur challenging people's perceptions, stereotypes and common modes of thinking.

"I want to inspire people to follow their dreams, to do what they're here on earth for". says Empire ISIS.
