**Catch, Get or Ask for your Virtual Personal Assistant?**

*In the Philippines, Perry says, virtual personal assistants, who work for CatchFriday for US clients charge from \$10 per hour for their expertise....*

/24-7PressRelease/ - April 23, 2008 - Don't Ask and Don't Get! You've heard the saying haven't you?

I have and that's why I use Catch Friday as my chosen Virtual Personal Assistant firm, and just why?

Like millions of Americans I like good customer service, and whenever I am on a liner, where I'm sure you've been, haven't you?

I've noticed that familiar Southern hospitality echoed in the way that Filipinos give good customer service, know what I mean?

You don't have to go to India for that, especially when I think that the Philippines was our's wasn't it?

Catch Friday deliver a great customer service, and that's why I use them for Quick Books, Design and Copywriting,,,,,,have more than a ghost of a chance, when you Catch Friday early in the week!

My grateful thanks to Perry Lawrence whose idea Caught Friday!

**About Catch Friday Virtual Team**

We help you Catch Friday on a Monday ie to work less and have more time to do what you want.

We are in Outsourcing, and help you with a difference finding made-to-measure staff for you, that you can choose and even interview. It works well and we have the business references to back it up.

We are able to help you with any project that does not require a physical presence in your office.

We invite you to take a look at [CatchFriday\(dot\)com](#) and their virtual assistants.
