**Pharmacy OneSource Releases Poll Results for First Quarter of 2008**

*Nearly 42% of pharmacy professionals have worked in retail and would not do it again*

**/24-7PressRelease/** - BELLEVUE, WA, April 23, 2008 -- Pharmacy OneSource, Inc. today released the results of its exclusive on-line polls for the first quarter of 2008. Highlights include that nearly 42% of pharmacy professionals have worked in retail and would not do it again, and 74% of pharmacy professionals think there should be a law requiring all prescriptions to be electronically produced instead of handwritten.

The full results of each poll from January - March 2008 are listed below. Media sources are encouraged to utilize these poll results and attribution to PharmacyOneSource.com is requested.
