Designer Landscaping PA Landscaping Specialists!

Designer Landscaping PA; Design, located in Bethlehem, PA, offers professional garden design and installation of: pools, masonry, water features, plants, wood/iron, all in one, Pennsylvania landscaping quotes for residential and commercial landscaping.

/24-7PressRelease/ - BILLINGS, PA - April 24, 2008 - Landscaping is an artistic pursuit and every landscape is unique. You will spend many hours in your landscape and it should please, delight and serve you. Since 1992 Designer Landscaping has been creating outdoor living spaces in Pennsylvania unique to the lifestyle and setting of our clients.

Their services include Landscape Design & Installation including stonework, ponds, patios, retaining walls, plantings, water features, landscape lighting and more. They service Bucks, Northampton and Lehigh Counties.

Whether you've just moved to a new home or want to renovate your current landscape. Whether it is a large project or a small one they look forward to working with you.

"Designer Landscaping delivered on the promise of a beautiful back yard. But, it was your personal approach and responsiveness that made the process such a pleasure. " Private Residence-Saucon Valley

" ...We really love the work you did. It is so relaxing sitting on our patio enjoying all the color and sounds. Please keep in touch." Private Residence - Lower Nazareth

"Thank you for creating such a lush, beautiful garden for us. It such a pleasure to sit next to the pond watching the fish and listening to the sounds of running water." Private Residence - Doylestown

"Thank you for turning my backyard into a beautifully landscaped wonderland. Your creativity convinced me to install a pond and waterfall that have provided many hours of enjoyment. " Private Residence - Lower Southampton

Mission Statement: Quality people providing excellence in landscape services.

Who they are: Designer Landscaping specializes in the landscape development of residential properties. Great designs and installing the best products in the most professional way is how we want to be remembered.

Who they are: Someone who wants to work with a company that listens to you and incorporates your needs into a custom landscape design that will be installed within your budget.

What makes them different: They integrate your lifestyle with the unique qualities of your property to create an outdoor living space that is a natural extension of your home.

Designer Landscaping is a proud member of the following associations:

- * Pennsylvania Landscape & Nursery Association (PLNA)
- * Association of Professional Landscape Designers
- * Interlocking Concrete Paver Institute (ICPI)
- * Eastern Pennsylvania Better Business Bureau
