VegasKids.Info Launches Travel Guide for Families and Kids in Las Vegas

VegasKids.Info is a travel guide to help parents identify the best attractions and sites for their kids in Las Vegas

/24-7PressRelease/ - LAS VEGAS, NV, April 25, 2008 -- In response to the growing need for information, [VegasKids.Info](http://www.vegaskids.info) was launched to help parents plan their trip with kids to Las Vegas. The website carefully rates and reviews hundreds of attractions and sites such as amusement parks, recreational parks, shows, museums, thrill rides, tours, hotels, and restaurants from the parents' and kids' perspective. The website also provides a summary table with several criteria to help parents make a quick and informed decision in choosing the best attractions for their kids in Las Vegas. The table criteria include fields such as minimum and recommended age, distance from the strip, attraction duration, schedule, fun value, and educational value.
