InvestorIdeas.com Stock Directories in Leading Sectors for Small Cap Investors Announces Addition of EquityGroups.com Message Boards for Corresponding Sectors

Investor Tools Include Stock Directories and Message Boards for Renewable Energy Stocks, Nanotech Stocks, Biotech Stocks, China Stocks and Oil and Gas Stocks

/24-7PressRelease/ - POINT ROBERTS, WA, Delta B.C., May 01, 2008 - www.investorideas.com, InvestorIdeas.com, a leading online global investor resource announces the recent addition of stock message boards in collaboration with EquityGroups.com, in leading sectors including renewable energy stocks, China stocks, biotech stocks, nanotech stocks and oil and gas stocks. Investorideas.com currently features stock directories in multiple leading sectors for investors to complete independent due diligence by sector.

" Adding message boards for corresponding stock directories and sector content seemed to be the logical next evolution of services and tools for investors and we like the interactive features of the Equity Groups boards " noted Dawn Van Zant of Investorideas.com. " We are always looking at synergies with other content providers and services to empower investors that come to our site."

InvestorIdeas.com is a global meeting place for retail investors, public companies, industry, media, institutional investors, brokers and government and was one of the first online investor resources providing in-depth information on renewable energy, greentech, homeland security and water sectors.

Investors can read through the growing lists of stocks, in North American markets ranging from OTC to NYSE, as well as foreign listed stocks in each sector including, renewable energy, biotech, China, energy, nanotech and more at <http://www.investorideas.com/dirs/stocklist.asp>

Investorideas.com also features a Sector voting link: <http://www.investorideas.com/DUPoll/> Investors are asked to participate in sector polls to determine what sector is "Hot".

Investor Ideas Trading Center: <http://www.investorideas.com/trade/>. The trading section is designed to offer investors a choice on online trading options, once their independent research is complete.

Additionally, the site offers a service for news and press release submission, based on industry sector at:
