**The Brow Lady Goes Beyond Brows with America's Best Facial**

*Continuing its mission to provide guests a range of services with a superior level of consistency, quality and value, The Brow Lady, long known for superior eyebrow shaping and expert waxing, is now pleased to offer "America's Best Facial."*

/24-7PressRelease/ - SCOTTSDALE, AZ, May 01, 2008 - Using The Brow Lady's exclusive line of technically advanced, paraben-free skin care products primarily used for plastic surgeons, dermatologists and medi-spas, "America's Best Facial" is exceptionally priced at only \$40.00. The Brow Lady USA has become a destination spot for skin and beauty care. The Brow Lady is featured in numerous national publications, including Lucky and Allure magazine's "The Best of the Best" directory and as the cover story in Arizona's East Valley Tribune.

As many can agree, it only takes one 15-minute session with The Brow Lady to have a life-changing experience. The Brow Lady's vision is built on the belief that we can improve people's lives by helping them look better, feel better, and enhance their overall well-being and that the most dramatic change you can make in your facial appearance without having cosmetic surgery is having your eyebrows properly shaped and indulge in "America's Best Facial."
