**Industrial Leaders Partners With Two Trade Portals To Help Promote U.S. Products Worldwide**

*IndustrialLeaders.com, an international B2B marketplace focusing on promoting American industrial products has joined forces with ForeignTRADEX and Worldwide Industrial to develop a 'Partners for Trade network*

**/24-7PressRelease/** - WESTBORO, MA, May 02, 2008 - IndustrialLeaders.com, an on-line publisher of industrial directories and trade publications for manufacturers and engineers announced today they completed the arrangement of their partnership with two international trade portals, ForeignTRADEX and Worldwide Industrial Marketplace (WIM). According to Cindy Santos, spokesperson for the companies, ForeignTRADEX and Worldwide Industrial Marketplace will become a division of the Industrial Leaders group.

Santos said the primary purpose of the three-way partnership is to promote U.S. products in regional and international markets utilizing a separate trade portal operated by Industrial Leaders at <http://www.IndustrialSAVER.com/classifieds/>. Industrial Leaders will focus on North and South America while ForeignTRADEX will promote U.S. goods in Australia, United Kingdom and other European nations. Meanwhile, WIM will help U.S. companies enter or expand into Asia and Middle East markets.

"Bringing the Worldwide Industrial Marketplace and ForeignTRADEX into the Industrial Leaders group enables users of our trade sites to access more industrial suppliers and buyers across the globe," says Conrad Bailey, Business Director of Industrial Leaders. He added, "While political parties in Washington argue over economic, social and trade issues there are thousands of forward thinking companies with the same focus as Industrial Leaders dedicated to making a positive difference for the U.S. economy through international trade."
