/24-7PressRelease/ - HOLLYWOOD, CA, May 02, 2008 - Leading online legal documents source for sample and template legal agreements and contracts, RealDealDocs.com, has decided to release and make publically available at no charge, the talent agreement for ZKID Network spokesperson, Brian Urlacher.

A talent agreement is a legal agreement in which an individual represents, warrants and covenants that he or she will exercise his or her best reasonable efforts for and on behalf of a company in connection with all services to be performed pursuant to the agreement. Basically, and the ZKID Network talent agreement is a great example of this premise, in signing the agreement Brian Urlacher is legally bound to act as spokesman for the network and in addition to his promotional duties, he will conduct himself in an upstanding manner.

Hollywood is an ever expanding opportunity for fame and stardom. More than just actors, the explosion of the internet and commercial propaganda has made marketing a viable path for those wishing for their fifteen minutes in the limelight. Everyone recognizes the "Verizon guy" and the men representing a PC and a Mac computer in the Apple Computer Inc advertisements. Becoming the spokesperson for a corporation, network or other business and entertainment entity is a lucrative career. And yet, as your face and person then stand to represent the company, there are certain standards, morals and public images that those entities require of their spokesperson.

The ZKID Network talent agreement with Brian Urlacher makes for a great template to follow. The agreement has the basic stipulations of promotional rights, length of agreement, print, new media, compensation, termination, expenses and confidentiality. The agreement also includes the morals and indemnification clauses mentioned earlier.

The talent agreement between ZKID Network and Brian Urlacher is only one example of the many talent agreements available at RealDealDocs.com and only one of the millions of sample legal documents available at the RealDealDocs.com website.
