**Accomplix Review - Best Buy Supplements Releases Their Annual Review of Weight Loss Supplements**

*Best Buy Supplements releases their 2008 review of Accomplix and other weight loss supplements. The review includes ratings for categories including thermogenic effect, ingredient quality, appetite suppression and weight loss potential.*

**/24-7PressRelease/** - NEW YORK, NY, May 03, 2008 -- Best Buy Supplements releases their 2008 review of Accomplix and other weight loss supplements. A leading online source for health and fitness information, the Best Buy Supplements review on Accomplix includes ratings for categories including thermogenic effect, ingredient quality, appetite suppression and weight loss potential. The Accomplix review was authored by leading nutrition and fitness experts in collaboration with the Best Buy Supplements.

"2008 is shaping up to be a very crowded year, as far as the weight loss supplement category goes," explained BBS Editing Director Seymour Stein.

"Accomplix was included in our potential list of products for consumers to use in 2008 based on reader interest," added Stein.

Accomplix is not owned or endorsed by, or affiliated with The Best Buy Supplements organization. All mentioned products on Best Buy Supplements are the registered trademark of their respective owner(s) all rights reserved. The BBS web site displays trademarks and intellectual property in order to afford customers a product comparison.
